

SMART

Meet the connected thermostat
that fits your business to a T

Lyric™ T6 Pro Wi-Fi

Introducing a thermostat that delivers Wi-Fi connectivity without the complexity. With simple installation, simple setup and a super-simple Wi-Fi connection process, the new Lyric T6 Pro Wi-Fi is easy to use and even easier to sell. Plus, with the new and improved Lyric app, it's never been easier to give customers complete control from anywhere. How's that for smart?
